Signpedia can provide workshops delivered in Auslan for various activities. Some examples are painting, drawing, jewellery making, weaving, craft, film making, fitness, and we have many more. All delivered in Auslan.

Our workshops are fantastic because there are many courses out there already delivered in English, which could make it difficult for some people to understand, maybe due to a language barrier.

At Signpedia it's great because we provide our workshops in Auslan to ensure a full understanding, which has been a comfort to our learners.

If you would like to book a Signpedia service, please contact us by email, SMS, video meeting, video message, please visit our website or you're welcome to visit us at our office where we can tailor a solution to your needs.
